Attention: Mark E. Gothier, Government Projects Manager

**SUBJECT: NOTICE TO PROCEED - CONTRACT # CT2957 FOR ERECTION OF A
BROADCASTING TOWER AT OTTUMWA, IOWA.**

Enclosed please find the executed copy of the contract for the Ottumwa tower project. In reviewing the contract, I discovered a minor error. The "IDENTIFICATION OF PARTIES" section is listed in the table of contents on page 2 of 32 as section 1.0. On page 3 of 32 it is listed as section 2.2. Since this error is typographical in nature and has no substantive impact on the contract, I lined out the error on page 3 of 32, wrote in the correct section number of 1.0, initialed and dated the correction. If this meets with your approval, please proceed with the work. If you have any questions, please let us know.

Sincerely,

William T. Hayes
Director of Engineering and Technology
